WHY USCLE SAM LOSES HIM.

Dr. John F. Anderson.

Because Uncle Sam does not pay salaries sufficient to hold able scientists he is losing them like the many naval officers who have gone to neighboring plants. This is Dr. John F. Anderson, late director of the hygienic laboratories of the public health service. There he received a salary of \$4500.

One of the latest scientific achievements in the United States which has its main plant at New Brunswick, N. J., wants a man and an office of \$4500 a year was made. He could not resist so he has left the service of the United States.

What the press agents say about Pendleton's present and coming attractions.

Temple to Get Big Pictures.

Starting December 15, the Temple will show the Triangle Films every Sunday and Monday. A 5-reel Griffith and a 2-reel Keystone.

Thursday and Friday a 5-reel Ince and a 2-reel Keystone.

These pictures by Griffith, Ince and Lemmatt are without doubt the biggest and most expressive films shown today.

Watch for our big announcement in a few days.

The Temple theater music is a treat to Pendleton patrons. We started Sunday, Nov. 21 with a three piece special orchestra that can't be beat.

Howards of Cheap Substitutes.

In these days of keen competition it is important that the public should see that they get Chamberlain's Cough Remedy and not take substitutes sold for the sake of extra profit.

Chamberlain's Cough Remedy has stood the test and been approved for more than forty years. Obtainable everywhere.—Adv.
